

Cart Services

Waste Connections, formerly Progressive Waste, services both trash and recycle carts weekly. Place carts at the curb by 7:00 AM. Waste Connections begins servicing routes at 7am and typically finish by 7pm. Please note that changes in routes are made at the discretion of Waste Connections which could affect the pick up times.

East Side of Union Street

Monday = trash (green cart)

Wednesday = recycle (Blue cart)

West Side of Union Street

Tuesday= trash (green cart)

Thursday = recycle (Blue cart)

Make sure not to put anything dangerous in either cart, including ashes, coals, paint, pool chemicals, household cleaning chemicals etc. to avoid fire and environmental contamination risks. Lids must close and not be overloaded.

Whitesboro Waste and Recycling Services

City Brush Services

The City of Whitesboro offers a unique service for its residents. City employees make regular routes throughout the city picking up HOMEOWNER/ CUSTOMER cut brush. All CONTRACTOR cut brush must be removed by the contractor.

Brush Pick-up Guidelines

All limbs, less than eight (8) inches in diameter, must be stacked next to the street curb with CUT END to curb.

Larger logs, over eight (8) inches in diameter, and stumps shall be cut to five (5) feet lengths and stacked next to the curb and separated from the limbs.

All limbs need to be cut at five (5) feet and the Y's removed.
