

Sports Registration Policy

(Current policy initiated in 2011)

When registering, a complete registration form must be provided for each player, and the form must be signed by a parent or guardian. The appropriate registration fee must accompany the form, unless other arrangements have been made (see below), along with a copy of the player's birth certificate.

Family Discount

There is a discount for families registering more than one child per sport. Register 2 children in the same household and receive \$5 off the total fee. Register 3 or more children in the same household and receive \$10 off the total fee.

Late Registrations

Registrations will be taken after the deadline only if needed to fill shortages on rosters. Any sports registration made after deadline will require the full fee plus a \$10.00 Late Fee.

Scholarship Policy

In order to be eligible for a sports scholarship, your child must have one of the following documents:

- Free or reduced lunch letter from school
- Medicaid card with the child's name listed
- WIC or Chips card with the child's name listed
- A written letter stating the family's financial situation and why you would like the Whitesboro PARD to find a sponsor for your child/children. You must include any assistance you receive from state or federal programs. You will be notified if you qualify.

You are required to provide PARD with a current copy of documentation as proof of eligibility for each season that you wish to use the scholarship program. The scholarship participation fee is \$25 per player.

For those who do not qualify for the scholarship program, PARD also offers payment plans. A registration form, payment plan agreement, and \$15 down are required before the registration deadline. Payment in full must be received before the first game of the season.

No sports scholarships will be given after the deadline. NO EXCEPTIONS!

Beginning January 2011, PARD no longer accepts incomplete registrations for sports.

We must have all forms completed and signed:

- Sport Registration Form
- Move up in age form (if needed)
- Payment Plan Agreement (if needed)
- Scholarship Form and appropriate documentation (if needed)
